Mar 6	5:30 pm Family Wellness Night
March 15	8:15 am - 10:15 am Field Day
March 18 - 22	Spring Break

Fresh Fruit and Vegetables Program – We are fortunate again to be a recipient of the FFVP grant that allows us to bring in fresh fruits or vegetables twice a week for our students. Look at what we have this week – Lemon Plums.

Family Wellness Night 2

Our next Family Wellness Night is on March 6 at 5:30 pm - 7:00 pm and Chantal Chung of Mā'ona Garden will be here
This is just a friendly reminder to email your selfie to noreen_kunitomo@honaunau.k12.hi.us and submit your Circle Map to the office. You may also submit a picture to the office if it's easier.

LIONS CLUB of KONA

Looking for a new job or another job? The Lions Club of Kona will be hosting a Small Business-Blue Collar Job Fair! This will be on Saturday March 2 8:00 am - 12:00 noon at the Old Airport Pavilion This is a FREE event!
On March 9, they will also host the 5th Annual Health Fair at Konawaena Elementary from 8:00 am - 2:00 pm.
We are so blessed to have this organization to help the community! Please look on the back of the Bulletin for the flyer information!

Flu Season General health reminders...

- We have an ongoing concern with the flu/virus going around and your ohana may have already received a visit from the seasonal flu but here are some guidelines.
- If you are sick with flu-like illness, CDC recommends that you stay home for at least 24 hours after your fever is gone except to get medical care or for other necessities. **(Your (child's) fever should be gone for 24 hours without the use of a fever-reducing medicine.)**
- Cover your nose and mouth with a tissue when you cough or sneeze. After using a tissue, throw it in the trash and wash your hands.
 - [Wash your hands](#) often with soap and water. If soap and water are not available, use an alcohol-based hand rub. Please see the following video for instructions:
English: <https://www.cdc.gov/cdctv/healthyliving/hygiene/fight-germs-wash-hands.html>
Spanish: <https://www.cdc.gov/cdctv/spanish/healthyliving/acabe-con-los-microbios.html>
 - Avoid touching your eyes, nose and mouth. Germs spread this way.
 - Clean and disinfect surfaces and objects that may be contaminated with germs like flu.
