Crafts to follow

Would you like to volunteer or share what you do for a living?

Do you have spare time and want to do something productive? If you would like to volunteer, we would love to have you. Please stop by the office. We are also looking for anyone who would love share with our students about what you do, maybe share your experiences, and just maybe, you may spark something in a student that affects their journey! Just share what you do, bring your Tool Belt, or a picture of your Fishing Boat, anything. We want you to share your passion!

What's "growing" on in the Garden...
